

THIS IS NOT A REQUEST FOR QUOTE -- THIS IS A NOTICE OF THE GOVERNMENT'S INTENT TO ISSUE A SOLE SOURCE AWARD TO TRAPWIRE, INC.

Washington Headquarters Services, Acquisition Directorate (WHS/AD), on behalf of the Pentagon Force Protection Agency (PFPA) intends to award a firm-fixed price contract with a one (1) year base on a sole source basis to Trapwire, Inc., 1818 Library Street, Reston, VA 20190. The anticipated award will be made under the authority of FAR 13.106-1(b)(1), soliciting from a single source.

The contract is for Trapwire software licenses and training of its Surveillance Detection Reporting System Program. The system will enable structured information collection and predictive analysis capability that will provide users with a means of detecting attacks and threats in the early stages of preparation. The system will enable ability to identify terrorist or criminal surveillance operations so that appropriate law enforcement counter measures can be employed, and steps taken to apprehend the perpetrators, thereby preventing the attack. The system is compatible and works in conjunction with PFPA's "See Something - Say Something" program and currently deployed security systems. In addition, the Trapwire will provide a threat interdiction software system capable of allowing security personnel and law enforcement officials to detect patterns of behavior and anomalies indicative of pre-attack surveillance activity and to issue threat warnings in sufficient time to prevent an attack.
